

City of Montgomery Development Handbook

Last Revised: February 2023

Dear Developer,

Thank you for your interest in developing in the City of Montgomery. We hope you find the City to be an efficient and welcoming place to conduct business.

This Development Handbook will serve as a general guideline for the development process to be followed from pre-design to construction completion. It has been prepared by City Staff and reviewed and adopted by the City of Montgomery for your use. Please review the Handbook in its entirety prior to beginning your development to ensure you are fully aware of what is required of you to develop within the City. You are also invited to review the City of Montgomery Code of Ordinances to determine the specific ordinances that will apply to your development. Further detail on required Ordinances and processes is given in this Development Handbook, and a website link to the Code of Ordinances is provided on the following page.

Should you have any questions or wish to schedule a pre-development meeting to begin the development process, please do not hesitate to contact either myself or the City Engineer. Contact information for various City Officials is listed on the following page. Again, thank you for your interest in developing in Montgomery.

Sincerely,

Dave McCorquodale
Assistant City Administrator
Director of Planning & Development

DEVELOPMENT CHECKLIST OUTLINE

I. PRE-DEVELOPMENT MEETING & DEVELOPMENT APPLICATION SUBMITTAL:

A) Submit Pre-Development Application and related information:

- 1) Submit cover letter, on company letterhead, to the City briefly describing scope and intent of the development.
- 2) Submit Development Application and receive Development Number.

B) A pre-development meeting will be set up with City staff and consultants, if deemed necessary. Meeting opportunities are regularly scheduled for the 2nd and 4th Tuesday of each month, beginning at 3:00 PM. A meeting request must be submitted to the Director of Planning & Development no later than close of business on the 1st or 3rd Wednesday of the month to reserve a meeting time for the upcoming Tuesday afternoon. The pre-development meeting will be to discuss some of the following topics:

- 1) Discussion of the location and planned usage of the property to be developed.
- 2) If required, discussion of annexation procedures, if the property or parts of the property are located outside the City limits. The property is required to be within the extraterritorial jurisdiction of the City.
- 3) Determination as to whether the usage of the property complies with the current zoning of the property, or whether the property requires zoning or zoning amendments.
- 4) Review of water and wastewater requirements for the proposed development.
- 5) Review and discussion of the Escrow Agreement by and between the City and the Developer, which covers legal, administrative and engineering costs related to the development project.
- 6) Determination as to whether the development will be placed on the upcoming City Council agenda for approval of an escrow agreement.

PRE-DESIGN REQUIREMENTS

City of Montgomery, Texas
Pre-Design Process Flow Chart

II. PRE-DESIGN REQUIREMENTS

A) Development Number:

- 1) The development number will be assigned by the City at the time of submitting the Development Application and must be used on all documentation including but not limited to: plans, plats, letters, emails with a City representative, etc.

B) Escrow Agreement

- 1) Upon receipt of the Development Application, the City will provide an Escrow Agreement within 7 days for review and signature by the Owner. Upon receipt of the executed Escrow Agreement, the Agreement will be placed on the upcoming City Council agenda for approval. The signed Agreement must be received no later than close of business on the 1st or 3rd Monday of each month to be placed on the upcoming City Council Agenda.
- 2) The funds initially deposited into the escrow account will cover expenses incurred by the City, City Engineer, and City Attorney to complete the Economic and Utility Feasibility Study. The minimum deposit for a Study is \$5,000. The City Engineer will determine if additional funds are necessary depending on the proposed development's potential impact on existing infrastructure and the City's master plans. Fees included on the Fee Schedule are not covered by the escrow account and must be paid separately, unless indicated otherwise.
- 3) The Escrow account must be funded within 10 days of receiving Council approval based on the fee represented in the Agreement. If no Economic and Utility Feasibility Study is required, the full cost of development will be determined and included in the Escrow Agreement.
- 4) If at any time throughout the course of development the projected cost of engineering and attorney fees is greater than the remaining balance in the escrow account, the developer will be responsible for depositing additional funds, no less than 10% of the original deposit, before additional engineering and legal services are provided to the development. If the projected cost is greater than the remaining balance, the City will provide written justification for the additional deposit that is requested. Following final City acceptance of the development and all maintenance bonds (if any) are released, the balance remaining in the escrow account will be returned to the developer. The total amount shown in the Escrow Agreement is intended to be a "Not to Exceed" amount unless extenuating, unexpected fees are needed. The developer will be informed of the additional deposit amount in writing.
- 5) The developer will be notified on a monthly basis of any amount that is to be withdrawn from the escrow account for administrative, engineering, and legal services provided during the month.

C) Economic and Utility Feasibility Study

- 1) Upon Council approval and deposit of funds, the City Engineer will begin the Economic and Utility Feasibility Study required for the tract. This study is to determine how the tract can be served public utilities, what improvements will need to be made to the public system to accommodate the development, the economic benefit to the City, estimated costs for improvements outside the development and impact fees as applicable and identify potential obstacles to development. The study will also determine the additional escrow account deposit required for the remainder of the development. Completion of the study will take approximately 45-60 days from approval and receipt of funds. Following completion, the study will be placed on the upcoming City Council agenda for acceptance.

D) Annexation Petition Form

- 1) If the property to be developed is located outside the City Limits, the developer must petition for annexation using the Annexation Petition Form. The Form must be completed and submitted no later than close of business on the 1st or 3rd Monday of each month to be placed on the upcoming City Council Agenda. The Council must hold two (2) public hearings before coming to a decision regarding annexation of the tract.
- E) Rezoning/Initial Zoning Application
- 1) If the property to be developed is not properly zoned for its proposed use or needs initial zoning following annexation, the developer must complete and submit the Zoning Application no later than the 3rd Monday of the month. The application will be considered at the upcoming Planning & Zoning Commission meeting, and must be submitted with the latest overall site plan for the property in order to be considered. The Commission must hold two (2) public hearings before coming to a decision regarding zoning of the tract. The City Council must hold one (1) public hearing before considering the Planning and Zoning Commission's recommendation and approving the rezoning.
- F) Variance Request
- 1) If the proposed site plan or plat does not comply with City ordinances and design standards, a developer may request a variance from the ordinance in conflict with the design. The developer must complete the Variance Request Application and submit to the Director of Planning & Development no later than the 3rd Monday of the month. The application will be placed on the upcoming Planning & Zoning Commission and City Council Meeting Agendas for consideration.
 - 2) A request for a variance that relates to Chapter 98 of the Code of Ordinance must be reviewed by the Zoning Board of Adjustment. The City Council currently serves as the Zoning Board of Adjustment. The developer must notify the Director of Planning & Development of the need for a zoning variance to initiate the variance process, which includes Public Hearings and mailed notifications as required by the Texas Local Government Code.
- G) Tree Ordinance
- 1) A tree preservation plan must be submitted with all preliminary plats for new subdivisions or developments, per Sec. 78-166 of the Code of Ordinances.
- H) Oversizing Lines
- 1) Cost of Oversizing
 - a) If the City requires a line size larger than necessary to serve the developer's property, the City will pay the difference between the cost of the line size, valves, fittings, etc., necessary to serve the developer's property and the line size, valves, fittings, etc., required by the City, per Sec. 90-105 of the Code of Ordinances.
 - 2) Pro Rata Share with City
 - a) A pro rata share of the total cost of an extension shall be assessed to each property that seeks service from the extension, based on the projected equivalent single-family connection (ESFC) usage, per Sec. 90-105 of the Code of Ordinances.
 - 3) Process of Reimbursement by Other Developers

- a) If the developer can obtain the pro rata shares from some or all of the assessed property owners prior to the installation of the lines, the developer's costs will be reduced by that amount. Any customer requesting service who has not paid his pro rata share prior to the installation of the utility extension must pay the pro rata share in full plus an additional 15 percent to the City, per Sec. 90-105 of the Code of Ordinances.

I) Compensating Green Space Requirements

- 1) In instances where proposed lots have an area less than the minimum established by the planning and zoning commission (9,000 square feet), compensating open space will be required at a 1:1 ratio, per Sec. 78-95 of the Code of Ordinances.

J) Thoroughfare Plan

- 1) All designs must take into consideration the thoroughfare plan adopted by the City and the thoroughfare plan of Montgomery County, per Sec. 78-87 of the Code of Ordinances.

K) Impact Fees

- 1) Developments that accelerate the need for construction of improvements projects listed on the Capital Improvements Plan adopted by the City are subject to impact fees to offset the expense of infrastructure improvements placed upon the City, per Ordinance No. 2016-21. Impact fees are assessed at the recordation of the final plat and due prior to connection to the public water and sanitary sewer system.

L) Tap Fees

- 1) Residential
 - a) Charges will be made for every residential tap or connection to the city's sewer distribution system, including the cost of the meter and meter box. For connections of any size, the tapping fee will be a charge established by ordinance of the City, per Sec. 90-66 of the Code of Ordinances.
- 2) Non-Residential
 - a) If a tap is made for a commercial, institutional, or industrial consumer to the City's water or sanitary sewer system, the charge made for the tap will be the sum of the costs incurred by the City in providing the tap service. All tap charges are to be paid when application for the tap or connection is made, per Sec. 90-68 of the Code of Ordinances. If impact fees do not apply to the tract, the tap fee will be the cost of the tap plus two hundred percent (200%) of said cost.

M) Fee Schedule

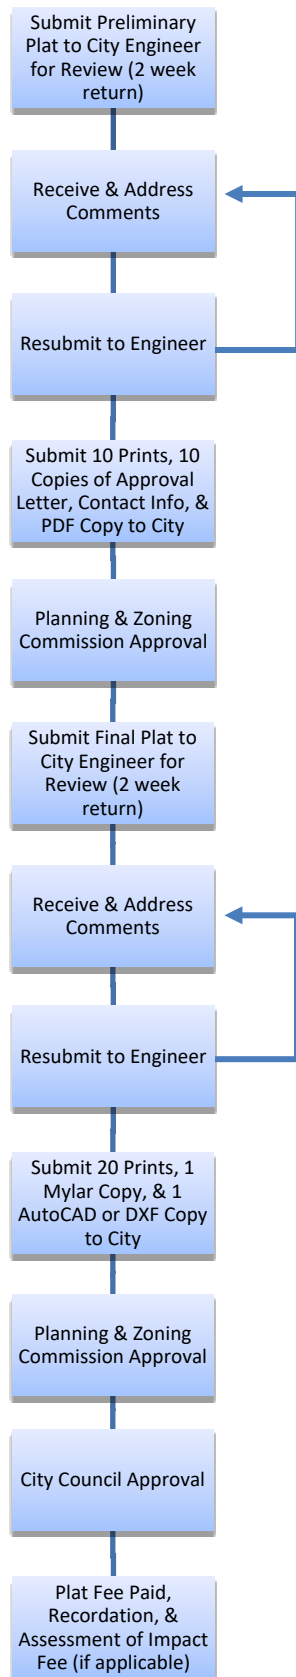

- 1) All fees assessed, with the exception of Impact Fees (Ord. No. 2016-21), will be listed in the Fee Schedule included in this handbook. This schedule is subject to revision on an annual basis by City Council Resolution. Developers will be responsible for all applicable fees listed in the Fee Schedule, unless otherwise exempt per previous agreement.

Preliminary & Final Plat

Minor Plat

III. PLATTING:

A) Preliminary Plat

- 1) *Required Contents.* Requirements for the contents of a preliminary plat are listed in Sec. 78-60 of the Code of Ordinances. Any plat found to not include all required contents will be subject to rejection and must be resubmitted for review by the City Engineer. All tax documents, including an original sealed certificate showing all taxes paid, dated within 30 days of submittal, and a certificate showing no liens placed against the property must be submitted with the plat.
- 2) *Process.* Preliminary plats should be submitted to the City Engineer for review and comment. Once all comments are addressed, the plat should be submitted to the City's Planning and Zoning Commission for review and approval. Ten legible prints of the original, along with ten copies of a letter of transmittal stating briefly the type of street surfacing, drainage, sanitary facilities and water supply proposed, and the name, address, email address and phone number of the owner and engineer or surveyor, a title letter or certificate, and one electronic copy of the plat (PDF format) must be provided.
- 3) *Submission Deadlines.* Preliminary plats must be submitted to the City Engineer for review at least 30 days in advance of the Planning and Zoning Commission meeting at which they will be considered. The final copies for approval must be submitted at least 10 days in advance of the Planning and Zoning Commission at which they will be considered. Final submission of the preliminary plat must include all items listed on the Preliminary Plat Submission Transmittal Form or may be subject to rejection or delays in processing.
- 4) *Plat Fee.* The fee shall be as currently established in Sec. 78-27 of the Code of Ordinances or as hereafter adopted by resolution of the City Council from time to time. Plat fees may be calculated using the Plat Fee Calculation Sheet, which must be included in the submission packet with payment of the fee.

B) Final Plat

- 1) *Required Contents.* Requirements for the contents of a final plat are listed in Sec. 78-61 of the Code of Ordinances. Any plat found to not include all required contents will be subject to rejection and must be resubmitted for review by the City Engineer. All tax documents and a certificate showing no liens placed against the property must be submitted with the plat.
- 2) *Process.* Final plats should be submitted to the City Engineer for review and comment. Once all comments are addressed, the plat should be submitted to the City's Planning and Zoning Commission for review and approval. The final plat should then be submitted to the City Council for review and approval. Ten legible prints of the original and one electronic copy (AutoCAD or DXF format) must be provided, per Sec. 78-61 of the Code of Ordinances.
- 3) *Submission Deadlines.* Final plats must be submitted to the City Engineer at least 30 days in advance of the Planning and Zoning Commission meeting at which they will be considered. The final copies for approval must be submitted at least 10 days in advance of the Planning and Zoning Commission at which they will be considered. Final submission of the preliminary plat must include all items listed on the Preliminary Plat Submission Transmittal Form or may be subject to rejection or delays in processing.
- 4) *Plat Fee/Fiscal Guarantee.* The fee shall be as currently established in Sec. 78-27 of the Code of Ordinances or as hereafter adopted by resolution of the City Council from time to time. The Developer shall submit a bond to the City in the amount of 100% of the construction cost of all planned development to take place on the platted property. The bond shall be released to the developer upon construction completion and acceptance by the City.

C) Minor Plats

- 1) Minor plats shall contain all the information required of final plats as set forth in this document and Sec. 78-62 of the Code of Ordinances. Minor plats shall be submitted to the City and may be approved and signed by the City Engineer and City Administrator.

D) Re-Plats

- 1) In addition to state law requirements as set out in Chapter 212 of the Texas Local Government Code, any replatting shall follow the final platting rules as set forth in this document and Sec. 78-63 of the Code of Ordinances. A public hearing is required as directed by the Texas Local Government Code.

E) Development Plats

- 1) Any person who proposes the development of a tract of land within the limits or extraterritorial jurisdiction of the City must have a development plat of the tract prepared in accordance with Sec. 78-64 of the Code of Ordinances and the applicable plans, rules or ordinances of the City.

DESIGN

City of Montgomery, Texas Design Process Flow Chart

*Commercial redevelopments and developments on previously platted properties that do not require a replat are not required to receive Planning & Zoning Commission and City Council approvals

IV. DESIGN

A) Drainage Study Requirements

- 1) All proposed developments must include a drainage study showing that the development is in compliance with Sec. 78-126 of the Code of Ordinances.

B) Construction Plans

- 1) Construction plans are to be designed in accordance with all relevant sections of the Code of Ordinances, unless otherwise authorized by approved variance (see Variance Requests). Construction plans must be in compliance with Secs. 78, 90, and 98 of the Code of Ordinances.
- 2) Elevations included in all engineering construction plans and surveys must be based upon the benchmark and known City monumentation utilized in the final plat and must be clearly displayed on the construction plans and survey, as outlined in Sec. 78-124 of the Code of Ordinances.

C) Tree Ordinance

- 1) All proposed developments must submit a tree preservation plan, per Sec. 78-175 of the Code of Ordinances.

D) Lighting Ordinance

- 1) All commercial developments must comply with the lighting requirements outlined in Secs. 18-56 – 62 of the Code of Ordinances.

E) Landscaping Ordinance

- 1) All commercial developments must comply with the landscaping requirements outlined in Sec. 18-135 of the Code of Ordinances.

F) Sign Requirements

- 1) All commercial developments must comply with the sign requirements outlined in Secs. 66-25 – 53 of the Code of Ordinances.

G) Storm Water Pollution Prevention Plan (SWPPP) Requirements

- 1) All construction plans involving the movement of existing soil must include a Storm Water Pollution Prevention Plan (SWPPP), and must be approved by the City Engineer. SWPPP must be installed prior to initiation of construction.

H) Design Criteria Manual

- 1) All construction plans must be designed in compliance with the City's Design Criteria Manual. Details included in construction plans are to be obtained from the Design Criteria Manual. A copy of the Manual can be obtained from the office of the City Secretary or on the City's Website.

I) Historic Preservation District

- 1) Proposed construction on properties located within the Historic Preservation District must comply with all rules and regulations stated in Chapter 98, Article VI of the Code of Ordinances, unless otherwise authorized by approved variance (see Variance Requests).
- 2) All permit applications for properties within the Historic District must be reviewed and approved by the Planning & Zoning Commission, and must be submitted no later than five (5) business days prior to the meeting date to be placed on the upcoming agenda for consideration.

J) Plan Review & Approval by City Engineer

- 1) *Review Process.* Construction plans must be submitted to the City Engineer in PDF format for review and approval. Results of the review will be provided in writing. All comments must be addressed prior to receiving plan approval.
- 2) *Timeline.* The first submission of the plans for review will take approximately 2-3 weeks for the review to be completed. Subsequent reviews will take approximately 1-2 weeks to be completed. Approved plans for developments located within the Historic District will be submitted to both the Planning & Zoning Commission and the City Council for approval to be considered on the 1st Tuesday and 2nd Tuesday of the month, respectively.

K) Technical Code Review & Approval

- 1) Construction plans must be designed in accordance with the International Codes listed in Sec. 18-21 of the Code of Ordinances. Plans must be reviewed and approved by the City Building Official. Two hard copies and one digital copy of the plans must be submitted to City Hall for review. Code Review Fees will not be included in the Escrow Agreement and must be paid separately.

Construction of Developments with Public Utilities Process Flow Chart

City of Montgomery, Texas
Construction of Developments without Public Utilities Process Flow
Chart

V. CONSTRUCTION

A) Construction of Developments with Public Utilities

- 1) Construction may begin following City Engineer, Code Review, and City Council (as needed) approval of engineering plans, and following receipt of all necessary permits for construction (see Sec. VII. PERMITS). A pre-construction meeting must be scheduled prior to beginning construction. Required attendees include but are not limited to the City Engineer and/or a representative thereof, Contractor, Owner, and City of Montgomery Director of Public Works.
- 2) Inspections
 - a) Public facilities are inspected and tested at the time of completion, immediately following completion of the tap to existing public facilities. All taps shall be performed by the City of Montgomery Public Works Department. Inspection of public facilities will be performed by the City Engineer or a representative thereof. Required attendees include but are not limited to the City Engineer and/or a representative thereof, Contractor, Owner, and City of Montgomery Director of Public Works.
 - b) All landscaping and building inspections, both interior and exterior, will be completed prior to final acceptance by the City, and will be performed by the City of Montgomery Building Official. Required attendees include but are not limited to the City of Montgomery Building Official, Owner, and Contractor. Notify City at least 24 hours prior to inspection date to schedule Building Inspector.
- 3) Submittal of CAD As-Built drawings
 - a) As-Built copies of the construction plans must be submitted in both PDF and .dwg format to the Director of Planning & Development and City Engineer within 14 days of the final inspection.
- 4) Submittal of Affidavit of Bills Paid
 - a) Contractors must submit an affidavit of bills paid to the City. All bills must be paid prior to receiving the Certificate of Acceptance.
- 5) Financial Guarantee
 - a) Contractors must submit a maintenance bond in the amount of 30% of the total construction cost of the development to the City. This maintenance bond will be held throughout the entirety of the first year following completion of the project.
 - b) All corporations must provide a letter of good standing from the State to the City Secretary.
 - c) Developers must be in good financial standing with the City, and must resolve any negative escrow account balances, including remaining anticipated costs prior to scheduling the pre-construction meeting.
- 6) Certificate of Acceptance
 - a) Upon completion of all punch list items identified at the final inspection and confirmation from the City Engineer that all items have been addressed, the project will be submitted to City Council for acceptance. All punch list items must be complete prior to the 1st or 3rd

Monday of the month to be placed on the upcoming City Council agenda for consideration.

7) Certificate of Occupancy

- a) Once items 1-26 on the Development Application Checklist have been approved, the Director of Planning & Development will issue the Certificate of Occupancy. No Certificates of Occupancy will be granted if there are outstanding items on the Checklist, unless otherwise approved by the Director of Planning & Development.

B) Construction of Developments without Public Utilities

- 1) Construction may begin following receipt of City Engineer approval and all necessary permits for construction (see Sec. VII. PERMITS).
- 2) Inspections
 - a) All taps shall be performed by the City of Montgomery Public Works Department. Required attendees include but are not limited to the Owner and City of Montgomery Director of Public Works.
 - b) All landscaping and building inspections, both interior and exterior, will be completed prior to final acceptance by the City, and will be performed by the City of Montgomery Building Official. Required attendees include but are not limited to the City of Montgomery Building Official, Owner, and Contractor. Notify City at least 24 hours prior to inspection date to schedule Building Official.
- 3) Financial Standing
 - a) Developers must be in good financial standing with the City, and must resolve any negative escrow account balances, including remaining anticipated costs.
- 4) Certificate of Occupancy
 - a) Once all applicable items 1-26 on the Development Application Checklist have been approved, the Director of Planning & Development will issue the Certificate of Occupancy. No Certificates of Occupancy will be granted if there are outstanding items on the Checklist, unless otherwise approved by the Director of Planning & Development.

WARRANTY

VI. WARRANTY

A) Warranty Period

- 1) The one-year warranty period for the public portion of a development will commence the same day the development is accepted by the City Council, and will remain in effect for one calendar year. Upon completion of the warranty period, a final warranty inspection will be held to determine any repairs to be made at the expense of the contractor/developer. Required attendees include but are not limited to the City Engineer or a representative thereof, Contractor, Developer, and the City of Montgomery Director of Public Works. A punch list of repairs will be delivered to the contractor following the inspection, and must be completed and approved within 21 days of the final inspection by the City Engineer Field Project Representative.

B) Maintenance Bonds

- 1) The developer is responsible for ensuring the escrow account for the project is in good financial standing and there are no outstanding balances to be addressed. Upon confirmation from the Director of Planning & Development, the City Engineer will recommend release of all maintenance bonds and the City will assume full responsibility to the project. The City Council must authorize the release of all maintenance bonds and acceptance of the project.
- 2) Once maintenance bonds are released, it is the responsibility of the developer to close out the escrow account and retrieve any remaining funds previously deposited.

SUBMITTAL OF PERMIT PACKAGE

VII. SUBMITTAL OF PERMIT PACKAGE (FUTURE)

- A) The City will issue the developer a permit package, to be completed prior to development and construction. Permits are to be obtained from City Hall, and a completed permit package must include the permit applications and the permit application fee for each permit, per the most current Fee Schedule. Fees assessed are on a per-permit basis.
- B) The permit package will include the following permits:
 - 1) Grading Permit Application (Future)
 - a) This permit may be issued after the Planning and Zoning Commission has approved the preliminary plat.
 - 2) Building Permit Application: After final plat approved by Council
 - a) Two hard copies and one digital copy of complete building, mechanical, electrical, and plumbing plans are to be submitted to City Hall along with a completed permit application form. Plans must be no larger than 11" x 17".
 - b) The Plan Review Fee is paid prior to the building plans being submitted to the City Building Official for review.
 - c) Once the plans have been approved by the Building Official, once set is retained in the City files and one set is returned to the Developer.
 - d) All contractors must be registered with the City. There is no registration fee.
 - 3) Electric Permit Application
 - a) The permit application form must be completed and submitted.
 - b) A copy of the electrician's master license must be presented upon application.
 - 4) Plumbing Permit Application
 - a) The permit application form must be completed and submitted.
 - b) A copy of the plumber's master license must be presented upon application.

Public Hearings

Parties in interest and citizens shall have an opportunity to be heard at public hearings conducted by the Planning and Zoning Commission and the City Council before any variance to a district regulation, restriction, or boundary shall become effective. Regularly scheduled meetings are as follows and will be held accordingly unless public notice has been given of a change of dates:

Planning and Zoning Commission: **1st Tuesday of every month at 6:00 p.m.**

City Council: **2nd and 4th Tuesday of every month at 6:00 p.m.**

Finding of Undue Hardship

In order to grant a variance, the Board must make the following findings to determine that an undue hardship exists:

1. That literal enforcement of the controls will create an unnecessary hardship or practical difficulty in the development of the affected property; and
2. That the situation causing the hardship or difficulty is neither self-imposed nor generally affecting all or most properties in the same zoning district; and
3. That the relief sought will not injure the permitted use of adjacent conforming property; and
4. That the granting of a variance will be in harmony with the spirit and purpose of these regulations.
5. Financial hardship alone is not an “undue hardship” if the property can be used, meeting the requirements of the zoning district it is located in.

Factors not Considered

A variance shall not:

1. Be granted to relieve a self-created or personal hardship,
2. Be based solely upon economic gain or loss,
3. Permit or allow any person a privilege or advantage in developing a parcel of land not permitted or allowed by these Regulations to other parcels of land in the same particular zoning district,
4. Result in undue hardship upon another parcel of land.

ESCROW AGREEMENT

BY AND BETWEEN

THE CITY OF MONTGOMERY, TEXAS,

AND

XXXXXXX

Dev. No. xxxx

THE STATE OF TEXAS ə

COUNTY OF MONTGOMERY ə

This Escrow Agreement, is made and entered into as of the _____ day _____, 20__ by and between the CITY OF MONTGOMERY, TEXAS, a body politic, and a municipal corporation created and operating under the general laws of the State of Texas (hereinafter called the "City"), and XXXXXXXXXXXXXXXXXX, a _____ Corporation, (hereinafter called the "Developer").

RECITALS

WHEREAS, the Developer desires to acquire and develop all or part of a XXXXXXXXXXXXXXXXXX sometimes referred to as the XXXXXXXXXXXX Tract, and being more particularly described in Exhibit "A" attached hereto and incorporated herein by reference for all purposes.

WHEREAS, the City policy requires the Developer to establish an Escrow Fund with the City to reimburse the City for engineering costs, legal fees, consulting fees and administrative expenses incurred for plan reviews, developer coordination, construction management, inspection services to be provided for during the construction phase, and one-year warranty services.

AGREEMENT

ARTICLE I

SERVICES REQUIRED

Section 1.01 The development of the xxxxxxx Tract will require the City to utilize its own personnel, its professionals and consultants; and the Escrow Fund will be used to reimburse the City its costs associated with these services.

Section 1.02 In the event other contract services are required related to the development from third parties, payment for such services will be made by the City and reimbursed by the Developer or paid directly by the Developer as the parties may agree.

ARTICLE II

FINANCING AND SERVICES

Section 2.01 All estimated costs and professional fees needed by City shall be financed by Developer. Developer agrees to advance funds to City for the purpose of funding such costs as herein set out:

Administrative	\$XXX
City Engineer	\$XXX
Legal	\$XXX
<hr/>	
TOTAL	\$XXX

Section 2.02 Developer agrees to submit payment of the Escrow Fund no later than ten (10) days after the execution of this Escrow Agreement. No work will begin by or on behalf of the City until funds have been received.

Section 2.03 The total amount shown above for the Escrow Fund is intended to be a “Not to Exceed” amount unless extenuating, unexpected fees are needed. Examples of extenuating circumstances created by the developer that may cause additional fees include, but are not limited

to, greater than three plan reviews or drainage analysis reviews; revisions to approved plans; extraordinary number of comments on plans; additional meetings at the request of the developer; variance requests; encroachment agreement requests; construction delays and/or issues; failure to coordinate construction with City; failed testing during construction; failing to address punch list items; and/or excessive warranty repair items. If extenuating circumstances arise, the Developer will be informed, in writing by the City, of the additional deposit amount and explanation of extenuating circumstance. The Developer agrees to tender additional sums within 10 days of receipt of request to cover such costs and expenses. If additional funds are not deposited within 10 days all work by or on behalf of the City will stop until funds are deposited. Any funds which may remain after the completion of the development described in this Escrow Agreement will be refunded to Developer.

ARTICLE III,

MISCELLANEOUS

Section 3.01 City reserves the right to enter into additional contracts with other persons, corporations, or political subdivisions of the State of Texas; provided, however, that City covenants and agrees that it will not so contract with others to an extent as to impair City's ability to perform fully and punctually its obligations under this Escrow Agreement.

Section 3.02 If either party is rendered unable, wholly or in part, by *force majeure* to carry out any of its obligations under this Escrow Agreement, then the obligations of such party, to the extent affected by such *force majeure* and to the extent that due diligence is being used to resume performance at the earliest practicable time, shall be suspended during the continuance of any inability so caused to the extent provided but for no longer period. As soon as reasonably possible after the occurrence of the *force majeure* relied upon, the party whose contractual

obligations are affected thereby shall give notice and full particulars of such *force majeure* relied upon to the other party. Such cause, as far as possible, shall be remedied with all reasonable diligence. The term "*force majeure*," as used herein, shall include without limitation of the generality thereof, acts of God, strikes, lockouts, or other industrial disturbances, acts of the public enemy, orders of any kind of the government of the United States or the State of Texas or any civil or military authority, insurrections, riots, epidemics, landslides, lightning, earthquakes, fires, hurricanes, storms, floods, washouts, droughts, arrests, restraint of government and people, civil disturbances, explosions, breakage, or accidents to machinery, which are not within the control of the party claiming such inability, which such party could not have avoided by the exercise of due diligence and care.

Section 3.03 This Escrow Agreement is subject to all rules, regulations and laws which may be applicable by the United States, the State of Texas or any regulatory agency having jurisdiction.

Section 3.04 No waiver or waivers of any breach or default (or any breaches or defaults) by either party hereto of any term, covenant, condition, or liability hereunder, or of performance by the other party of any duty or obligation hereunder, shall be deemed or construed to be a waiver of subsequent breaches or defaults of any kind, under any circumstance.

Section 3.05 Any notice, communication, request, reply or advice (hereafter referred to as "notice") herein provided or permitted to be given, made, or accepted by either party to the other (except bills) must be in writing and may be given or be served by depositing the same in the United States mail postpaid and registered or certified and addressed to the party to be notified, with return receipt requested, or by delivering the same to an officer of such party. Notice deposited in the mail in the manner herein above described shall be conclusively deemed to be

effective, unless otherwise stated in this Escrow Agreement, from and after the expiration of seven (7) days after it is so deposited. Notice given in any other manner shall be effective only when received by the party to be notified. For the purpose of notice, the addresses of the parties shall, until changed as hereinafter provided, be as follows:

If to City, to:	Director of Planning & Development City of Montgomery 101 Old Plantersville Rd. Montgomery, Texas 77316
-----------------	--

If to Developer, to:	_____

The parties shall have the right from time to time and at any time to change their respective addresses, and each shall have the right to specify as its address any other address by at least fifteen (15) days written notice to the other party.

Section 3.06 This Escrow Agreement shall be subject to change or modification only in writing and with the mutual consent of the governing body of City and the management of Developer.

Section 3.07 This Escrow Agreement shall bind and benefit City and its legal successors and Developer and its legal successors but shall not otherwise be assignable, in whole or in part, by either party except as specifically provided herein between the parties or by supplemental agreement.

Section 3.08 This Escrow Agreement shall be for the sole and exclusive benefit of City and Developer and is not for the benefit of any third party. Nothing herein shall be construed to confer standing to sue upon any party who did not otherwise have such standing.

Section 3.09 The provisions of this Escrow Agreement are severable, and if any

provision or part of this Escrow Agreement or the application thereof to any person or circumstances shall ever be held by any court of competent jurisdiction to be invalid or unconstitutional for any reason, the remainder of this Escrow Agreement and the application of such provision or part of this Escrow Agreement to other person circumstances shall not be affected thereby.

Section 3.10 This Escrow Agreement and any amendments thereto, constitute all the agreements between the parties relative to the subject matter thereof, and may be executed in multiple counterparts, each of which when so executed shall be deemed to be an original.

Section 3.11 This Agreement shall be governed by, construed and enforced in accordance with, and subject to, the laws of the State of Texas without regard to the principles of conflict of laws. This Agreement is performable in Montgomery County, Texas.

IN WITNESS WHEREOF, the parties hereto have executed this Escrow Agreement in three (3) copies, each of which shall be deemed to be an original, as of the date and year first written in this Escrow Agreement.

ESCROW AGREEMENT
BY AND BETWEEN
THE CITY OF MONTGOMERY, TEXAS,
AND
XXXXXXX
Dev. No. xxxx

THE STATE OF TEXAS ə

COUNTY OF MONTGOMERY ə

 This Escrow Agreement, is made and entered into as of the _____ day _____, 20__ by and between the CITY OF MONTGOMERY, TEXAS, a body politic, and a municipal corporation created and operating under the general laws of the State of Texas (hereinafter called the "City"), and xxxxxxxxxxxxxxxx, a _____ Corporation, (hereinafter called the "Developer").

RECITALS

 WHEREAS, the Developer desires to acquire and develop all or part of a xxxxxxxxxxxxxxxx sometimes referred to as the xxxxxxxxxxx Tract, and being more particularly described in Exhibit "A" attached hereto and incorporated herein by reference for all purposes.

 WHEREAS, the City policy requires the Developer to establish an Escrow Fund with the City to reimburse the City for engineering costs, legal fees, consulting fees and administrative expenses incurred for feasibility study, plan reviews, developer coordination, construction management, inspection services to be provided for during the construction phase, and one-year warranty services.

AGREEMENT

ARTICLE I

SERVICES REQUIRED

Section 1.01 The development of the xxxxxxx Tract will require the City to utilize its own personnel, its professionals and consultants; and the Escrow Fund will be used to reimburse the City its costs associated with these services.

Section 1.02 In the event other contract services are required related to the development from third parties, payment for such services will be made by the City and reimbursed by the Developer or paid directly by the Developer as the parties may agree.

ARTICLE II

FINANCING AND SERVICES

Section 2.01 All estimated costs and professional fees needed by City shall be financed by Developer. Developer agrees to advance funds to City for the purpose of funding the required Utility and Economic Feasibility Study ("Study") in the amount of \$x,xxx.

Section 2.02 Developer agrees to submit payment of the funds for the Utility and Economic Feasibility Study to City no later than ten (10) days after the execution of this Escrow Agreement. No work will begin on the Study until funds have been received and the Study has been authorized by City Council.

Section 2.03 As part of the Study, the estimated additional Escrow Amount will be determined for plan reviews, developer coordination, construction coordination, construction inspection, warranty services, legal expenses, and administrative costs. Developer agrees to submit payment of the Escrow Amount to City no later than thirty (30) days after the acceptance of the Study by City Council. No work outside of the Study will be performed by or on behalf of the City

until the Escrow Amount has been deposited.

Section 2.04 The total amount shown above for the Utility and Economic Feasibility Study and the Escrow Amount determined in the Study is intended to be a “Not to Exceed” amount unless extenuating, unexpected fees are needed. Examples of extenuating circumstances created by the developer that may cause additional fees include, but are not limited to, greater than three plan reviews or drainage analysis reviews; revisions to approved plans; extraordinary number of comments on plans; additional meetings at the request of the developer; variance requests; encroachment agreement requests; construction delays and/or issues; failure to coordinate construction with City; failed testing during construction; failing to address punch list items; and/or excessive warranty repair items. If extenuating circumstances arise, the Developer will be informed, in writing by the City, of the additional deposit amount and explanation of extenuating circumstance. The Developer agrees to tender additional sums within 10 days of receipt of request to cover such costs and expenses. If additional funds are not deposited within 10 days all work by or on behalf of the City will stop until funds are deposited. Any funds which may remain after the completion of the development described in this Escrow Agreement will be refunded to Developer.

ARTICLE III,
MISCELLANEOUS

Section 3.01 City reserves the right to enter into additional contracts with other persons, corporations, or political subdivisions of the State of Texas; provided, however, that City covenants and agrees that it will not so contract with others to an extent as to impair City's ability to perform fully and punctually its obligations under this Escrow Agreement.

Section 3.02 If either party is rendered unable, wholly or in part, by *force majeure* to carry out any of its obligations under this Escrow Agreement, then the obligations of such party, to the extent affected by such *force majeure* and to the extent that due diligence is being used to resume performance at the earliest practicable time, shall be suspended during the continuance of any inability so caused to the extent provided but for no longer period. As soon as reasonably possible after the occurrence of the *force majeure* relied upon, the party whose contractual obligations are affected thereby shall give notice and full particulars of such *force majeure* relied upon to the other party. Such cause, as far as possible, shall be remedied with all reasonable diligence. The term "*force majeure*," as used herein, shall include without limitation of the generality thereof, acts of God, strikes, lockouts, or other industrial disturbances, acts of the public enemy, orders of any kind of the government of the United States or the State of Texas or any civil or military authority, insurrections, riots, epidemics, landslides, lightning, earthquakes, fires, hurricanes, storms, floods, washouts, droughts, arrests, restraint of government and people, civil disturbances, explosions, breakage, or accidents to machinery, which are not within the control of the party claiming such inability, which such party could not have avoided by the exercise of due diligence and care.

Section 3.03 This Escrow Agreement is subject to all rules, regulations and laws which

may be applicable by the United States, the State of Texas or any regulatory agency having jurisdiction.

Section 3.04 No waiver or waivers of any breach or default (or any breaches or defaults) by either party hereto of any term, covenant, condition, or liability hereunder, or of performance by the other party of any duty or obligation hereunder, shall be deemed or construed to be a waiver of subsequent breaches or defaults of any kind, under any circumstance.

Section 3.05 Any notice, communication, request, reply or advice (hereafter referred to as "notice") herein provided or permitted to be given, made, or accepted by either party to the other (except bills) must be in writing and may be given or be served by depositing the same in the United States mail postpaid and registered or certified and addressed to the party to be notified, with return receipt requested, or by delivering the same to an officer of such party. Notice deposited in the mail in the manner herein above described shall be conclusively deemed to be effective, unless otherwise stated in this Escrow Agreement, from and after the expiration of seven (7) days after it is so deposited. Notice given in any other manner shall be effective only when received by the party to be notified. For the purpose of notice, the addresses of the parties shall, until changed as hereinafter provided, be as follows:

If to City, to:	Director of Planning & Development City of Montgomery 101 Old Plantersville Rd. Montgomery, Texas 77316
-----------------	--

If to Developer, to:	_____

The parties shall have the right from time to time and at any time to change their respective addresses, and each shall have the right to specify as its address any other address by at least fifteen

(15) days written notice to the other party.

Section 3.06 This Escrow Agreement shall be subject to change or modification only in writing and with the mutual consent of the governing body of City and the management of Developer.

Section 3.07 This Escrow Agreement shall bind and benefit City and its legal successors and Developer and its legal successors but shall not otherwise be assignable, in whole or in part, by either party except as specifically provided herein between the parties or by supplemental agreement.

Section 3.08 This Escrow Agreement shall be for the sole and exclusive benefit of City and Developer and is not for the benefit of any third party. Nothing herein shall be construed to confer standing to sue upon any party who did not otherwise have such standing.

Section 3.09 The provisions of this Escrow Agreement are severable, and if any provision or part of this Escrow Agreement or the application thereof to any person or circumstances shall ever be held by any court of competent jurisdiction to be invalid or unconstitutional for any reason, the remainder of this Escrow Agreement and the application of such provision or part of this Escrow Agreement to other person circumstances shall not be affected thereby.

Section 3.10 This Escrow Agreement and any amendments thereto, constitute all the agreements between the parties relative to the subject matter thereof, and may be executed in multiple counterparts, each of which when so executed shall be deemed to be an original.

Section 3.11 This Agreement shall be governed by, construed and enforced in accordance with, and subject to, the laws of the State of Texas without regard to the principles of conflict of laws. This Agreement is performable in Montgomery County, Texas.

IN WITNESS WHEREOF, the parties hereto have executed this Escrow Agreement in three (3) copies, each of which shall be deemed to be an original, as of the date and year first written in this Escrow Agreement.
