Light Up the Park 2020

The City of Montgomery is excited to announce **Light Up the Park 2020** will take place on **December 5 at 6:00 pm at Cedar Brake Park**. This family event will maintain many of our cherished traditions such as the open mic holiday concert, photos with Santa, and the lighting of the park's thousands of lights.

New this year will be **Letters to Santa** – children and the young at heart are encouraged to drop off letters for Santa, which will be answered, if an address is supplied.

Given the uncertainty of the future health environment, the event will also contain some COVID safety measures, including procedures to limit waiting lines for photos with Santa to minimize the risk of event cancellation. To ensure safe but attractive photo ops, Santa will be sitting in front of a beautiful backdrop that will extend well beyond his chair with professional lighting to help capture the moment.

Traditionally, families and businesses have decorated poles in the park to enhance the enjoyment of the park during the entire holiday season. This year the City will be awarding prizes for the 1st, 2nd, and 3rd place winners of the Best Decorated Park Lights.

Park light pole reservations can be made by calling Hailey at (936) 597-3304. The start date for light pole decorating is November 7th, so start planning your masterpiece!
